

### ABOUT US...

BBK has been a registered nonprofit making charity for 10 years, showing Gods love to the people of Kenya in a practical way. This non-profit making charity supports two orphanages, a rescue centre, a hospital, three villages and many individuals in need. No one in the UK or Kenya is paid a wage and this is how we can support so many people. It costs just £1 to feed one child in Kenya for a day. Your generous donations continue pay for these wonderful projects to continue to help the people in so many ways.

### WHAT HAS GOD BEEN DOING THROUGH BBK?

#### OUR PROJECTS...

##### Gates of Joy, Orphanage

BBK continues to support the orphans with food, clothes, medical treatment and education. The profits from the on-site polytunnel has enabled them to obtain more goats, a cow and many hens and ducks. The trees produce

lots of healthy fruit for the children and the land prospers with vegetables. The centre is very keen to be self-sufficient and looks to expand ways in which they can earn money through their music. BBK has also been able to purchase a water butt for the orphanage and one for the church community.

##### Mother's Vision, Rescue Centre

The children living here have been rescued from the streets or extremely poor or abusive homes. The centre stands proud surrounded by a beautiful garden and newly built security wall funded by BBK. Mother's vision is more than a rescue centre, Susan and Moses, their leader, continually reach into the wider villages and community

#### IN BRIEF...

The charity shop in the Market Hall, Chester Le Street, remains our main source of income. BBK would like to thank you for your donations, large and small, purchases and continuing support. We now have new monthly sponsors which is very encouraging and have also welcomed new volunteers. We continue to look to God for all our needs.

*We all work  
together to bring  
hope and joy*

and with the support of BBK we fed 80 families with food for a few days, provided beds and mattresses, underwear (especially knickers) and clothes given to the poorest families. BBK paid rent for a year for families ensuring they could stay in their homes. BBK gave hope in the name of Jesus Christ.

## Mtwapa Hospital

The BBK trustees visited the hospital in September 2017 and saw the blood pressure equipment and baby delivery sets recently purchased. The staff were in need of a robust hospital scale at a cost of £400. BBK were delighted to be able to offer the funds to purchase this scale. We continue to provide the hospital with rubber gloves, cotton wool, bandages and many essential items.

## Christmas Cards

Christmas 2017 we introduced the sale of our 'Alternative Christmas Gifts'

Our specially designed cards could be purchased and given instead of buying a Christmas present. This project proved extremely popular, especially as thank you gifts to school teachers and for those people who seem to have everything! The entire profits

were used to feed a needy Kenyan village over Christmas. This gift in kind project will certainly be repeated.

## Jesus Healing Ministry – Our New Project

BBK has been caring for 16 children in a beautiful, rented accommodation for the past 8 years. We have now decided it would be sensible

to buy some land and build a home to secure their future. Land prices and legal proceeding were explored and in February 2018 half an

acre of land was purchased near the main road and local school. Over the next two years BBK hope to raise enough funds to begin building the infrastructure as well as a security wall to keep our children and property safe.

Look out for our fundraising activities and ways in which you can help!
